

MyCatholicDoctor Expands Access to Life-Affirming Catholic Healthcare Through Telehealth and National Network of Pro-Life Clinicians

Stamford, Connecticut, March 18th, 2025 – MyCatholicDoctor, a pioneering telehealth organization, is revolutionizing healthcare by making life-affirming, Catholic medical services accessible and affordable across the nation. Through an extensive network of pro-life clinicians and cutting-edge telemedicine technology, MyCatholicDoctor provides faithful, evidence-based medical care that aligns with Catholic moral teaching.

Committed to upholding the dignity of every human life from conception to natural death, MyCatholicDoctor ensures that patients receive compassionate, ethical, and scientifically sound care. The organization offers a wide range of medical services, including primary care, mental health support, fertility awareness-based women’s health, pediatrics, and chronic disease management—all integrated with Catholic spirituality as appropriate to the patient’s needs.

“Our mission is to answer the call of Jesus Christ in Luke 10:9, when He said, “cure the sick who are there, and say to them, ‘The kingdom of God has come near to you.’” Christ’s call to heal the sick while upholding the sanctity of life and the teachings of the Catholic Church,” said Kathleen Berchelmann, Co-founder of MyCatholicDoctor. “Through telehealth, we break down geographical and financial barriers, ensuring that faithful Catholic healthcare is available to all who seek it.”

The innovative telehealth platform enables patients to connect with pro-life clinicians from the comfort of their homes, reducing wait times and travel burdens. With transparent pricing, insurance compatibility, and financial assistance options, MyCatholicDoctor is dedicated to making high-quality, Catholic healthcare both accessible and affordable.

As the demand for authentically Catholic healthcare grows, MyCatholicDoctor continues to expand its services and network of clinicians, ensuring that faithful medical care is just a click away.
